et al Time Enlargement For
Statement of account / Forma
Pauperis Civ. No. 06-117-SLR

plaintiff is requesting
time enlargement in submitting
a statement of her account
for the following reasons;

1. On 3-9-06 the plaintiff, Terri Lee Meyer submitted a request to the W.C.I. business office for a statement of her account for the past 6 months.
2. plaintiff explained in the request that she had until 4-6-06 to submit it to the Court.
3. On 4-3-06 the plaintiff asked her Unit Officer C/O Endres to call the business office to find out why she had not received it.
4. C/O Endres related to plaintiff that Ms. Lake in the business office said they were "working on it."

As stated in her Complaint, the plaintiff is having difficulty getting Prison Officials' cooperation. However, she will continue trying. Therefore, the Plaintiff requests an extension of 30 days to submit her statement of account.
